The following children have been chosen for this half term's awards:-

HOT LUNCHES

We are having some issues with a few children who are saying they don't like the lunch that has been ordered and, in some cases, refusing to eat. Please will you look at the menu with your children when you do the order, and ensure that they will eat what is being provided? We have no 'spare' lunches to offer or the ability to offer alternatives. Thankyou.

SWIMARATHON

We now have a full adult team for this event – Mrs.Primrose, Mrs.Hiscocks, Mrs.Trim, Mrs.Henry, Mr.Rowley and Mrs.Hutchinson. We have four children who have volunteered to swim – Lucy R. Thea, Daisy and Isla – so ideally we are looking for two more pupils for this team. The participants will have their sponsor forms so please support them, and the school, in this event. Many thanks.

BANNER COMPETITION

I hope that you will encourage the children, during the half term holiday, to enter their design for a banner to go on the fence by the swimming pool – ideas could include sporting or outdoor activities, nature, school, etc Entries in immediately after half term – prizes for the winners!

Wear Red for British Heart Foundation – we raised £100. Thankyou!
