

English

First, the children will be reading *The Street Beneath my Feet* by Charlotte Guillain and Yuval Zommer and writing an explanation text inspired by it. Next, they will read *The Secret of Black Rock* by Joe Todd-Stanton and create a narrative.

Computing

This half term, the children will be sequencing sounds.

Music

This half term, the children will be learning *Three Little Birds*.

Geography & History

This geography project teaches children about the features and characteristics of Earth's layers, including a detailed exploration of volcanic, tectonic and seismic activity.

Chestnut Class

Year 3 & 4

Spring 1 Curriculum Overview

Rock, Relics and Rumbles

RE & PSHE

The RE topic for this half term is about understanding the Christian time of Lent.

In PSHE, the students will be exploring *Dreams and Goals* through our Jigsaw programme.

Science

Our science topic for this half term is *Forces and Magnets*. This project teaches children about contact and non-contact forces, including friction and magnetism. They investigate frictional magnetic forces and identify parts of a magnet.

Art & Design

This half term, the children will be practising sketching skills.

PE

This half term, the children will be learning hockey skills.

Mathematics

This term, both yeargroups will be learning about multiplication and division, length and perimeter and fractions.

Year 3 will be learning about mass and capacity whilst Year 4 do decimals.
