

English

First, the children will be reading *Earth-Shattering Events* by Robin Jacobs in order to write a non-chronological report. Then, *The Last Bear* by Hannah Gold. They will also be looked at *Flood* by Alvaro F Villa and creating narratives.

Computing

This half term, the children will be branching databases.

Music

This half term, the children will be learning *The Dragon Song*.

Geography & History

This geography project teaches children about the features and characteristics of Earth's layers, including a detailed exploration of volcanic, tectonic and seismic activity.

Chestnut Class

Year 3 & 4

Spring 2 Curriculum Overview

Rock, Relics and Rumbles

RE & PSHE

The RE topic for this half term is about understanding the Christian time of Lent.

In PSHE, the students will be exploring *Healthy Me* through our Jigsaw programme.

Science

Our science topic for this half term is *Forces and Magnets*. This project teaches children about contact and non-contact forces, including friction and magnetism. They investigate frictional magnetic forces and identify parts of a magnet.

Art & Design

This half term, the children will be practising figure drawing.

PE

This half term, the children will be learning netball skills.

Mathematics

This term, both yeargroups will be learning about multiplication and division, length and perimeter and fractions.

Year 3 will be learning about mass and capacity whilst Year 4 do decimals.
